2020 Advertising & Networking Opportunity

Enjoy the benefits of sponsorship while supporting REIC BC Chapter

We are pleased to present the 2020 Advertising and Networking Opportunities.

The purchase of one of our annual sponsorship packages (Platinum, Gold or Silver) will enable you to better plan your expenses and your attendance at the many fun events that REIC BC Chapter has scheduled for 2020. As an REIC BC supporter, you will be recognized in the real estate industry as a trusted professional. Sponsors are able to network with top industry professionals to brainstorm new ideas, revamp old ideas, discuss and help solve problems which some of our members have experienced within their profession. It is also a great way to start new friendships or continue current ones. In order not to saturate our members with the same type of sponsors, we will be limiting our sponsors to three of the same trade type, current sponsors are exempt. REIC would like to have a variety of sponsors to support our members.

To learn more about the many benefits available to each sponsorship level, please take a look at the attached sponsorship package. Packages are limited and will be available on a first come, first served basis. Please respond via email to bc@reic.com with your preferred package choice by **Monday, January 20, 2020**. You may also contact Myla Bicol, Chapter Administrator at 604.638.3457 for further information.

The Board of Directors of REIC BC Chapter appreciates your interest and support. We hope to see you at our 2020 Chapter events.

Yours truly,
