MESSAGE FROM THE PRESIDENT

As another year draws to a close, many of us are facing a different physically distant holiday season.

2020 without a doubt has been unlike any other year. It has brought unprecedented challenges for all of us. But while keeping with the spirit of this joyous time, it is equally important to take a few moments to reflect on the year that was and to look forward to year 2021.

I would like to take this opportunity to thank our Chapter Board Members for their commitments and dedication. To our Annual Sponsors for their generosity and continued support to REIC BC Chapter.

I also want to welcome and congratulate the new members for completing their CPM designations and becoming members of the Institute of Real Estate Management and Real Estate Institute of Canada (REIC/IREM).

Lastly, a heartfelt congratulation to our members who are celebrating their milestones this year as members of REIC/IREM. On behalf of the REIC Board of Directors, we commend you for your success and looking forward to inviting all of you to our next in-person event to present your milestone pins/certificates.

Wishing you all a Merry Christmas and a Prosperous New Year!

Christine Williams, CPM®
President
